School Physical Information 2021

Why you need a School Physical:

- If you have recently moved to Leavenworth and are starting in a new elementary school, you would need a Kansas physical form dated May 1 or after. This form is located on our website https://munson.tricare.mil/Health-Services/Primary-Care or can be obtained from the school's website.

- If you have recently moved to Leavenworth and are starting a new middle school or high school, you would need a Kansas physical form dated May 1, 2021 or after.

- If you are permanently residing and are transitioning from elementary to middle school, or from middle school to high school you will need a Kansas physical form dated May 1, 2021 or after.

Why you don't need a school physical:

- If you are continuing the next grade in the same school whether it's elementary school, middle school or high school.

- If you have a Kansas physical form dated May 2 or later for starting a new Elementary school.

- If you have a completed Kansas physical form dated May 1, 2021 or after and are starting a new middle or high school you do not need a school physical.

- If you are PCSing this summer to a different state as Kansas school physical forms will not be acceptable in other states.

Why you need a Sports Physicals:

- For elementary grades you will need a Kansas sports physical form dated within the last 12 months. This may have been obtained at a well-child visit.

- For middle and high school you will need a Kansas sports physical dated May 1, 2021 or later.

Why you don't need a Sports Physical:

- For elementary grades, you do not need a sports physical if you have had a well child visit clearing you for sports in the past 12 months, and a Kansas physical form was provided at that physical.

Why you need a CYS Physical:

- You will need a CYS physical if you do not have a Kansas physical form clearing for sports in the past 12 months.

- Please contact the Pediatric Department if you have received a Kansas physical form in the past 12 months and need copies of the physical form.
